Detention Slip

Parents and Students, this a picture of the detention slip that students can earn if they get in trouble. The slips are in triplicate form so a copy will be given to the student for you to see and, a copy goes to the office and one to me. The students are expected to serve the detention the next school day after receiving the slip. A student who misses detention will receive further disciplinary action.

Missing detention or changing the date in which it will be served is strictly done with the approval of the teacher, parent, and or principal.
